Hi Jim –

Are you available to participate on a call next Wednesday (12/20) at 3 pm PT? It is an information call with Earth Works Action to discuss the Excelsior draft permit conditions. Excelsior will not be on the call. Call-in info is forthcoming.

Please confirm.

I also believe there is a call tomorrow with Excelsior, EPA and ADEQ.

Hi Kate,

We have another conference call for an informational meeting with the public to discuss the Excelsior Draft Permit Conditions. It appears that their consultant will be participating. It would be best to have Jim Walker attend. Can you determine if Jim Walker would be available to attend the call?

Thanks, Nancy

Our call has been set for Wednesday, Dec. 20 at 4 pm Mountain, 3 pm Pacific, for one hour, but maybe running longer.

I'll send out an agenda before, although I think this will be mostly a Q and A session, and a chance for EPA to discuss the basics of the permit in terms of groundwater protection and monitoring.
